

# Warm Springs Ranch

**O**n April 30th, our club headed to Cooper County to tour the Warm Springs Ranch. Warm Springs Ranch is a breeding farm for the Budweiser Clydesdales, resting on 300-plus acres of lush, rolling hills in the heart of Missouri.

Established in 2008, it features a mare/stallion and foaling barn, veterinary lab and 10

pastures, each with a customized, walk-in shelter. The facility is home to more than 70 Clydesdales ranging from foals to stallions.

With some rain on the way to the Ranch, the day turned out reasonably dry, although a little cool.

After the tour, most of our group headed to Columbia for some much needed lunch. We thank Paula Goodrich for arranging the tour.
