

Patriots in the Park Car Show

Our club started our holiday weekend with a trip to Wilson Park in Granite City. The nice weather brought out 84 cars and trucks which was one of their largest shows. As a club event, we usually bring the most cars to a show. They did not have a club participation award but we would have surely won it with 19

entries.

Of course, our events are usually wrapped around food and this day was no exception with a trip to Ravanelli's for lunch. The food was great and Debbie McBee may have had the largest salad know to mankind. Nobody left hungry.

It was great to see some our newer members mingle so well with the long time show goers. The camaraderie was in full force that day and early judging allowed the trophy presentation to start at 1:30 pm. We were all heading home by 2 pm. All and all, a great day.
