

Bommarito Military Night

June 10th was Military Night with the River City Rascals at CarShield Field in O'Fallon, Missouri. That night \$3 from each ticket sold went to support H.E.R.O.E.S Care. Our club was able to sell about 50 tickets and displayed our cars in the parking lot before the game. Our own Dan Kelly threw out the first pitch and threw a perfect strike. Kevin Hall was there to represent Bommarito Ford and they donated a TV and Kevin was also part of presentation to a Gold Star recipient. Unfortunately our Rascals lost to the Evansville Otters in extra innings.

We thank Dan Kelly for setting up this night.
