

Early Winter Tour

On December 7th, our club held our early winter tour with a trip to Fast Lane Classic Cars in St. Charles. Our group of 24 toured the three buildings of classic cars. Since our last trip several years ago, they have added an additional building full of dream cars. We finished the day with a trip to Massa's Restaurant for a great lunch. We thank Dennis McBee for setting up this tour and Dennis even shot the photos.
