

# Patriots in the Park Car Show

"Weather to die for" could only describe what we had at the Independence Day, Granite City Patriots in the Parks Car Show that was held on July 5th. We brought 10 cars and trucks to the shaded Wilson Park and 9 were able to win a plaque. The morning started with a stop at the Apple-tree Restaurant in Granite City for a great breakfast. At lunch time, not wanting the available hot dogs and water, we hiked down the road to Ravanelli's for a great lunch. We were also able to keep a club tradition with one of our infamous "U-turns". Calories' not withstanding, it was a great day all around.
