

Rides for Guides Show

Cool weather greeted our members at the annual Rides for Guides show held in Hazelwood on September 22nd. Club members, Burt Pennington and Mike Lloyd are part in this show and our club showed our support with 27 registered Blue Oval products. Of those, 9 took home a class trophy and Tammy Melton won the Peoples Choice and Scott and Lynette Lewis won Best of Show. All of the 1st place winners and special award winners who won money, all donated it back to the charity. We also donated \$100 to the cause and with that and the members entry fees, food and ticket sales, we were responsible for about \$1,000 of the profit. Mike Lechwar's Lincoln was out waiting for a part so Steve Schneider lent him one of his Mustangs. What a guy! After last year's rain show, this could only be called a success.
