

**SALUTE
TO THE
TROOPS
VFW
CAR
CRUISE**

3 generations

What a great day. Lynette Lewis had her Salute to the Troops car cruise with the help of hubby Scott. It couldn't have worked out any better. It started a little cool but topped out in the 60's making for a great day. Besides the normal car show food, there was an alligator that had been grilled, that I've been told was very good. The cruise was held at the VFW Post 5077 in O'Fallon Missouri to benefit veterans.

The lot was full and our club did our part with 28 cars and 40 people in attendance. Although our club funds are low, we were able to donate \$100 to the cause.

We also brought in two new members, Bill Weaver and Jim Marshall. We had a first in our club, 3 generations of Mustang owners, Jerry Grimmer (grandfather), Greg Grimmer (father), and Collin Nance (grandson). We were also able to see Mike Lechwar's Bullitt Mustang.

We thank our members who help make this fundraiser a success.
