

Toys for Tots Delivery

We finished up our toy drive in mid December by picking up our donated toys from the Sinclair dealerships and we headed to the collection facility in Arnold. It finished another very successful year with this holiday tradition.

We finished our charity donations for the year by donating a check to The BackStoppers for \$2,500 for their work helping fallen first responders. Shown is Col. Ron Battelle, Executive Director of The BackStoppers, accepting the check from our members.
