

Valley of Flowers Parade

Again this year, we were able to show our cars in the Valley of Flowers parade held on May 7th. The beautiful day brought lots of spectators. It was great to see that Ed and Julie Mazy were able to take part again this year, new bubble machine and all. Ken Lambert was also there to escort the VOF queen in his Edsel.

With family members, also taking part were Dan Kelly, Jerry Grimmer, Jake Turnipseed, Don Audrain, and future member, Geoff George and his 1941 Ford fire truck.

We thank Dan Kelly for setting up our club in this yearly event.
